I (the parent) certify that my child (child's name): \_\_\_\_\_ will be returning voluntarily to play with Amity Soccer Club. Neither I or my child have been in contact with anyone who currently has or has had COVID-19 symptoms in the past 14 days. If I or my child start to exhibit symptoms of a cough, high temperature, or other symptoms including the flu, suggesting coronavirus, we will self-quarantine for the mandatory 14 days. If I or my child have been to a restricted state, we will self-quarantine for 14 days. In either case we may opt-out of quarantine with a NEGATIVE COVID TEST result.

When my child is not directly involved in on field play, they will be wearing a mask and practicing a social distance of 6 feet. During practices I will remain in my car, and during games I will wear a mask on the field and remain a minimum of 6 feet from the field touchlines. I agree that no more than two (2) spectators per player at games. My child will not engage in any close contact (high fives, fist bumps, or hugs). My child will bring their own mask, hand sanitizer, water bottle, shin guards, gloves, and ball. My child will not share any equipment with another player or coach. Even though hand sanitizer is available at the soccer field, my child will bring their own for personal use. I will sanitize all my child's equipment when their practice or game is over. I will immediately leave the field with my child following all events.

If a team member or coach contracts COVID-19, all training sessions will be canceled for that team and any additional team associated with that coach for 14 days. If a player or coach is sent home with symptoms they can only return when they have no fever, symptoms improve, and they receive two (2) negative test results at least 24 hours apart (CDC Guidelines).

**Failure to follow these rules will prohibit me and/or potentially my child from attending or participating in practices or games.**
